

THE STRATFORD

Leofric

.....a touch of class, the High Apex garage

The trusty post and panel construction of the Stratford has a solid, dependable appearance and at the same time, a wide choice of uPVC finishes, door colours and two choices of brick effect concrete finishes are available.

Why choose a Stratford?

- Eaves height 6ft 8" (Standard), 8ft 3" and 10ft
- Panel finishes in Brown or Grey
- uPVC fascia colour and woodgrain texture options
- 4 point locking system on up and over doors
- Treated hardwood weather bar fitted to prevent water ingress
- Panels sealed to base
- Portal construction for extra height and space where necessary
