

# MiniStor

New for 2012 *from Leofric*

## THE MULTI-PURPOSE, HIGH SECURITY SHED / STORAGE UNIT

The ideal solution for those smaller but valuable items such as:-

- MOBILITY VEHICLES
- WHEELIE BINS
- GARDEN MACHINERY & EQUIPMENT
- TOOLS
- PLAY EQUIPMENT

The simple construction of the MiniStor means it can be assembled in blocks of units, within a small area, quickly and economically whilst knowing the units are of the most secure construction available in its field. Each unit is fitted with shelf support uprights on the rear wall, suitable for click shelf brackets.

## BUILT FOR SERIOUS STRENGTH AND SECURITY!!

- Constructed of reinforced interlocking concrete panels.
- 15 year structural guarantee

### Fort Knox high security doors

- 2-fold, optional opening giving a maximum opening of 1050mm.
- 3-point, 9-bolt locking system.
- Double-skin, 50mm thick, white powder coated.
- Elegant, brushed stainless steel handle.
- Stainless steel cill.

# MiniStor High Security Shed / Storage Unit

The MiniStor building is virtually a sealed unit. The fascia and roof is of a plastisol coated steel and internally has a double layered, anti-condensation, thermally insulated blanket. All external walls have a waterproof cement fillet.
